Growing up in Athens Georgia, he remained somewhat removed from the urban jungle of bigger cities. In this vibrant student town an hours drive from the Atlanta metropolis, he created his own domain in the ownership of a tattoo salon. It didnt take long for his beautiful, captivating designs, the talent of his charismatic staff, and the capable management of his business to gain widespread attention. One day, his seemingly polar opposite walks through the door-intelligent and classy accountant, Milan Parker. Little does he know, their lives run parallel as they have both experienced recent traumatic loss. Milan finds herself strangely attracted to the eccentric Julian, and through the inking of her flesh, as well as his touch on her heart, she finds a kindred spirit with whom to begin her transformation. The two find themselves giving in to temptations, and Milan cannot resist as this one man from the opposite side of the tracks tattoos his intentions right across her soul...
