BOOK SYNOPSIS

THIS TITLE HAS BEEN UPDATED TO REFLECT THE 2016 MLA UPDATES! Our editorial team has updated this text based on content from The MLA Handbook, 8th Edition. Browse our catalog or contact your representative for a full listing of updated titles and packages, or to request a custom ISBN. Instructors know that Mike Markel's Technical Communication will prepare their students for any workplace writing situation. No other text offers such a comprehensive introduction to the field while still delivering practical, effective support for students at every level. The eleventh edition has been thoroughly revised to reframe the work of technical communicators in the context of today's highly collaborative, rapidly evolving digital practices. Fresh, social-media driven sample documents and coverage of the latest tools and technologies ensure that students work with the kinds of processes and products they'll encounter on the job.
