BOOK SYNOPSIS

Single mom Liana Archer has read her share of romance novels featuring dashing, passionate Sheiks. Despite her fascination with the genre, she is astonished when sinfully handsome Malik Khan, Crown Prince of exotic El Bahar, hijacks her and her young daughter off an airliner and into his lavish desert palace. What does this sexy prince want with a passably pretty, slightly overweight schoolteacher from San Bernadino? Dazed, breathless and mesmerized with desire, Liana quickly becomes Maliks royal bride after an intimate desert ceremony she does not understand. When she learns she is in fact married, she must face whether she can entrust her daughter, or her heart to a man would give them everything...except his love. How might a caring American mother and child finally move this proud, imperious monarch and make his kingdom complete?
